

BlueParrott C400-XT

SUPERIOR NOISE CANCELLATION WITH CHOICE OF TWO WEARING STYLES

The BlueParrott® C400-XT is ideal for those who need a discreet, customer-facing headset with the highest levels of noise cancellation. Enjoy premium BlueParrott features designed to boost productivity and collaboration, in a compact design with two different wearing styles. Ideal for hard hat wearers.

Benefits

- **Industry-leading noise cancellation.** Blocks out 96% of background noise.¹ Hear and be heard clearly wherever you are - regardless of the noise around you.
- **Up to 24 hours of talk time.** Keep talking with long-lasting battery life.
- **Customizable BlueParrott Button™.** Enable fast access to your favorite features including mute, speed dial, Push-to-Talk (PTT) and more. Works with leading PTT platforms incl. Microsoft Teams Walkie Talkie and Zebra Workforce Connect.
- **Tough, IP54-rated design.** Protection against dust and water.
- **Choice of wearing styles.** Both neckband and headband wearing styles are included.
- **VoiceControl™.** Answer or reject calls with just your voice, keeping your hands free.
- **Up to 300 feet/100 meters wireless range.**² No need to keep your phone in your pocket.
- **Flexible boom.** Adjustable for the best fit.
- **Works with most Bluetooth® devices.** Connect to 2 mobile devices at the same time. Integrates with a range of devices, from smartphones to hand-held terminals. Use our SDK to enable custom experiences.
