

ADAPT 200 Series

If work means calls via multiple devices, choose a wireless headset that fits with your dynamic working style in the hybrid workplace. Lightweight, portable and wireless, this flexible audio companion keeps you at peak performance.

We are rebranding from EPOS | SENNHEISER to EPOS branding on our products. During the transition period the same product may exist in both versions

Key Features

Maximize your comfort and productivity

With thick, soft, on-ear leatherette ear pads, enabling all-day comfort and passive noise damping

Enjoy flexible connectivity and great audio

Connect wirelessly via Bluetooth® to two of your favourite devices simultaneously and enjoy renowned stereo sound

Extremely portable to keep you moving

With a smart fold-flat ear cup design and carry pouch, simply pack up and move on to your next working task

Microsoft Teams certified and UC optimized

Certified for Microsoft Teams and optimized for UC for a seamless user experience that boosts your productivity

Stay stylish with sleek design

Look good at work or on-the-go with contemporary design and a boom arm that folds discreetly into the headband
